

Let's Code It

Fall 2022

Freedom Elementary

Grades 2–6

Time for Tynker- In this exciting new coding class from Afterschool Enrichment Solutions, take a deep dive into computer programming with the web-based platform Tynker!

- Learn the art of digital animation
- Create video games that run on physics, math and art concepts
- Design Minecraft blocks, skin and mobs
- Experiment with HTML, Python and Java

No previous coding experience is required to learn and have fun in the Tynker playground under the instruction of a coding coach!

Schedule: 9 Wednesdays, October 12th - December 14th, 3:15 PM - 4:15 PM

No class: 11/23

To sign up, please visit <http://www.learningmeansfun.com/signup>.

You will need to enter the course code **FEW10.12.22** to register. Please register by 10pm PST on 10/5 for the early bird price of \$146.25.

If you have difficulty registering, please contact Afterschool Enrichment Solutions at 847-482-9999 or registration@learningmeansfun.com

All participants must conduct themselves in a manner that allows all students to fully participate during the class without impeding their experience. We have a no refund policy, unless there is insufficient enrollment. No make-ups will be scheduled for inclement weather or circumstances beyond our control. Please be aware of this as there will be no refunds. It's the parents' responsibility to remind the children about the classes.

If schools are closed during the program session, classes will pivot to all-virtual sessions. Please be aware of this as there will be no refunds made.

Program provider has experience in virtual delivery.

This material was prepared by Afterschool Enrichment Solutions and is not sponsored or endorsed by the Lakota Local School District or any Lakota school.
